REPLACE OR REFINISH

Replacing a set of kitchen cabinets can easily cost \$30,000 to \$60,000 or more. Even cabinet refacing, replacing the doors and wrapping the visible surfaces of the boxes, typically costs half to two-thirds of that or more.

Refinishing outdated and worn cabinetry costs a fraction of the cost of replacement and is significantly less expensive than even a low quality refacing.

Professional kitchen cabinet refinishing is affordable while still dramatically updating the look and increasing the value and desirability of your home.

materials, and the proper equipment are all vital to attain a superior result. Haven Painting utilizes a multi-step preparation process, high-performance primers/ finishes, and specialized spray equipment to achieve results rivaling the appearance and durability of factory finished and custom cabinetry.

Contact us to set up a meeting at your convenience to discuss the various options for your cabinets and which durable finishes are right for you.
